

## Multi-function Pencil Bag

Everhart is an excellent manufacturer and wholesaler of student Pencil Bags. With years of production experience and first-class production technology, the quality of Everhart Pencil Bag series is widely loved by customers at home and abroad. Multi-function Pencil Bag is a must for supermarkets and stationery buyers every year. Multifunctional Pencil Bag is a

product carefully designed by Everhart's R & D personnel from the quality, style, detail design, ergonomics and other aspects of comprehensive consideration, referring to peer products.

Multifunctional Pencil Bag is a new product launched in recent years. Due to the development of stationery market and the improvement of people's life quality, the amount of stationery for students is also increasing, and the sorting and storage of stationery has become a problem for children and parents. This product refers to the peer data. Our R & D staff conducted in-depth market research. In order to help students with a lot of stationery which is not easy to sort out, and considering children's preferences, we designed a number of Multi-functional Pencil Bag with rich colors and large capacity.

This product is made of canvas material, which is not easy to wear, can be cleaned and used repeatedly, and is economical and practical to meet the needs of environmental friendly. Hardware zipper, smooth opening and closing, no delay, convenient and efficient, to provide customers with good use experience, uniform line, exquisite design, and strive to provide customers with perfect products. The interior is equipped with elastic band, which is convenient to fix the pen. The grid bag can clearly view the stationery, visualizing the stationery. The large capacity storage layer on the back can meet the needs of students to store stationery to the maximum extent. Rational zoning, clever design, popular with business people and students.
