With a strong dedication to meeting your furry companion's playtime needs, Heao Group stands out as a premier rope toys for aggressive chewers manufacturer in China. The tug rope toys is perfect for aggressive chewers interactive playing, tossing, tugging and fetching.

## Design:

The rope toy features a small ball expertly woven through a sturdy ring, creating an engaging and interactive toy. The ball-in-ring design allows for versatile play options, enticing your dog with its exciting shape.

## Material:

Crafted with durable polypropylene material and a mixed core of cotton, this toy ensures both toughness and comfort during playtime. The polypropylene exterior adds strength, while the cotton interior provides a soft and plush texture that your dog will love to chew on.

## Dental Benefits:

The knotting technique used in the ball and ring creates a textured surface that naturally helps clean your dog's teeth and massage their gums as they chew and play. This promotes better oral hygiene without causing any harm to their teeth.

## Interactive Fun:

The rope toys for aggressive chewers encourages interactive play between you and your furry friend. You can easily grab the ring to engage in games of tug-of-war or throw the ball for your dog to fetch, keeping them active and entertained.
