Heao Group, based in China, is a standout global manufacturer, renowned for crafting top-quality puppy rope rubber body toy using innovative and eco-friendly techniques. This rope toy is designed in the shape of a human figure with a body resembling a charming gourd, with five ropes sticking out in all directions is perfect for puppy's playing.

Durable Rubber Body with Textured Surface:

The toy's body is expertly crafted from durable rubber, ensuring long-lasting play sessions. Its surface is adorned with small raised dots, providing dental benefits by promoting teeth cleaning and gum massaging during your dog's chewing and playtime.

Interactive Hemp Rope Limbs and Head:

The toy's limbs and head are ingeniously made from two-color hemp ropes, enhancing the toy's visual appeal and overall uniqueness. The combination of rubber body and hemp rope limbs creates a delightful contrast, enticing your dog to interact and engage in playful activities.

Engaging Gourd-shaped Design:

The captivating gourd-shaped design of the toy adds an element of intrigue and curiosity to your dog's play. Its unique form encourages exploration, making playtime all the more enjoyable and stimulating for your furry friend.

Convenient Grip for Interactive Play:

The hemp rope limbs are designed to facilitate easy gripping and tugging, promoting interactive play between you and your dog. The toy's design encourages bonding and physical activity, contributing to a strong and affectionate bond with your canine companion.

Rope and Tug Toy With Rubber Body for Puppy with Beef Flavor

Dental Health Benefits:

As your dog gnaws and chews on the rubber body and hemp rope limbs, the toy effectively aids in cleaning teeth and maintaining oral hygiene. The textured surfaces offer a gentle dental massage, promoting healthier teeth and gums.

Exceptional Design for Playful Bonding:

With its human-shaped form and interactive features, this toy encourages both mental and physical stimulation, fostering a deeper connection between you and your four-legged friend.

In conclusion, this puppy rope toy with rubber body stands out with its exceptional human-shaped design, combining the resilience of rubber and the appeal of hemp rope. This engaging toy not only promotes dental health but also encourages interactive play and bonding between you and your beloved pup.
