Heao Group is at the forefront of tough interactive chew toy manufacturing in China, committed to satisfying all your pet's playtime needs. This toy is an innovative and versatile dog toy that combines natural rubber and a long rope to provide your furry friend with engaging play, interactive fun, and beneficial exercise.

### Mace Shape for Interactive Play:

The tough interactive chew toy features a unique mace shape, designed to stimulate your dog's natural instincts and curiosity. The toy is attached to a long and sturdy rope, allowing you to throw the toy for your dog to find, promoting an engaging game of fetch that helps consume their physical energy and achieve weight loss exercise.

### Durable Natural Rubber and Rope Combination:

Crafted from high-quality natural rubber and a strong rope, the tough toy is built to withstand vigorous play and tugging. The durable materials ensure the toy can handle the rough play and chewing of your energetic pup, making it a long-lasting and reliable playmate.

### Interactive Tug-of-War Game:

The long rope attached to the mace toy allows you to interact with your dog through exciting tug-of-war games. Grab the rope and engage in a friendly pulling match with your furry companion, strengthening the bond between you and providing essential physical exercise for your dog.

### Raised Surface for Dental Health:

The mace-shaped toy is designed with a raised surface, providing an added benefit of dental cleaning during play. As your dog chews and pulls on the toy, the textured surface helps clean their teeth and massage their gums, promoting better oral health and reducing plaque buildup.

### Built-in Sound Device:

Inside the interactive toy, a built-in sound device activates when the toy is chewed or squeezed. The playful sound adds an element of surprise and excitement to play, keeping your dog entertained and engaged.
