## Product Details

With fully reinforced Japan imported full SAP absorbent core, BB Kitty diaper is up to 12 hours of use. Made specially for TODDLERS, the absorbency is bigger and the size is bigger. Soft and breathable air through non woven top and back sheet provide more care and love to baby's skin. Double layer 3D leak guards provide more prevention of leakage, and allow your little one move freely. Special designed S cut mini tape and the wetness indicator show our meticulous love to your little one.
