

ONEREEL®

Double Layer High Speed Cable Spool

ONEREEL® is the top Double Layer high speed Cable Spool manufacturer and supplier in China. We have been deeply involved in the reel industry for many years. When you need the strength and durability of a steel reel, ONEREEL has the product for you. Whether you need a tubular reel for lightweight shipping of pipe or conduit, a custom-designed process reel for take-up and take-off solutions in heavy-duty processing industries, or a double layer spool reusable design for wire and cable applications, our line of steel reels is tailored to satisfy your unique needs.

Product Description

This ONEREEL® double layer high speed cable spool is a high-quality product.

ONEREEL double layer high speed cable spool is made of High-grade steel and tin plate, combined with precision tools and dies, assure our customers of quality spools and metal stampings at competitive prices. Stamped metal reels are intended for non-returnable, lightweight packaging for small put-ups of wire, rope and chain.
