

ONEREEL®

Flat Steel Cable Bobbin

ONEREEL® is the top Flat Steel Cable Bobbin manufacturer and supplier in China. Over the years, we have been deeply involved in the reel industry.

ONEREEL provides you steel reels with high strength, durability and Premium price.

Whether you need a tubular reel for lightweight shipping of pipe or conduit, a custom-designed process reel for take-up and take-off solutions in heavy-duty processing industries, or spool reusable for wire and cable applications, our steel coil series can be customized according to your requirements. Solid steel and machined reels are designed for applications that requires a strong reel built to high performance or heavy duty applications. Wire drawing and high strength reels are available in various constructions each designed to applications and process requirements.

Product Description

This ONEREEL® Flat Steel Cable Bobbin is a high-quality product.

Flat Steel Cable Bobbin is called Solid flange reel for internal process, with dimensions as per DIN standards (46395/46397) or can be customized.

It is fully machined and dynamically balanced according to G16 ISO 1940 for process speed up to 60 m/s and it is suitable for heavy-duty applications.

ONEREEL® Flat Steel Cable Bobbin Parameter (Specification)

Type Specification	D1	D2	D4	D5	11	12	E
200	200	100	25	16	150	125	40
300	300	217	127	18	290	270	90
400	400	165	70	16	270	250	50
500	500	217	70/80/127	20	320	300	65
630	630	355	125	28	475	400	100

ONEREEL Flat Steel Cable Bobbin Feature and Application

**FAQ**

What is your products standardization?

our products strictly comply with ISO9001 and CE standards

Can you can design the spool according to our size?

Yes, we have a professional team of engineers who can complete the manufacture of the spool you provid

How many years have your company made this kind of spool?

we have been making spools for ten years

Are you a trading company or a manufacturer?

we are a manufacturer of spool technology and design

ONEREEL®
