

300w Folding Solar Panel

This IPVISOLA 300w Folding Solar Panel is perfect to carry and use anywhere, the 300w Folding Solar Panel has powers output up to 300W and folds in two or three parts forming a bag with a handle, the 300w Folding Solar Panel has very little weight and is shock resistant so you can take it anywhere, the countryside, your terrace, camping... you can also unfold it anywhere. You can charge your mobile phone, use your laptop

anywhere or any other electrical device.

Product Description

IPVISOLA 300w Folding Solar Panel Details

Advantages of the ISOLA **300w Folding Solar Panel** :

The conversion rate of high efficiency solar cells reaches 16.85%;

Smart compatible interface. USB-A, 5V2A; Cell phone and computer charger-B, 5V3A;

The **300w Folding Solar Panel** is used to charge mobile phones, laptops or other USB charging devices.

Equipped with the support bracket, you can look directly at the sun and charge the device. Folding design, handbag shape, stylish and generous, easy to carry. An ideal choice for camping, hiking and other outdoor activities.

300w Folding Solar Panel Compatible with OEM and ODM.

Green power

Efficient power saving

Easy battery life

Easy installation

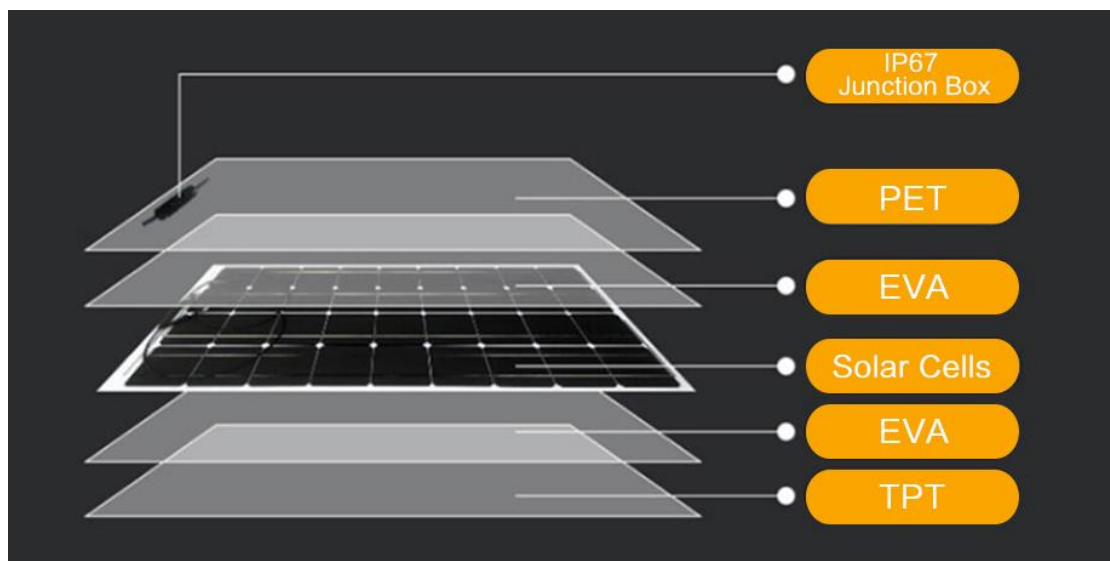

Wide application

Product

Where there is sunshine There is electricity

Postting high gloss, anti-ultraviolet, beautiful appearance

Material Advantage

Brand-known raw materials to ensure maximum inner quality

Glass

Anti-reflective coating to increase the module efficiency up to 20%
Light transmittance improvement above 3%
Self-cleaning function

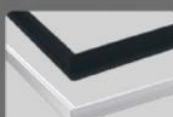

Back Sheet

Low moisture permeability against snail trail defect
Excellent electric insulation for high system voltage up to 1500V
Outstanding weatherproof performance

Cell

High power efficiency
Stable performance under weak light conditions
PID free

Frame

Strong mechanical load resistance up to 5400 Pa
Anodic oxidation layer resistant to chemical corrosion
Silver and black color optional

Eva Film

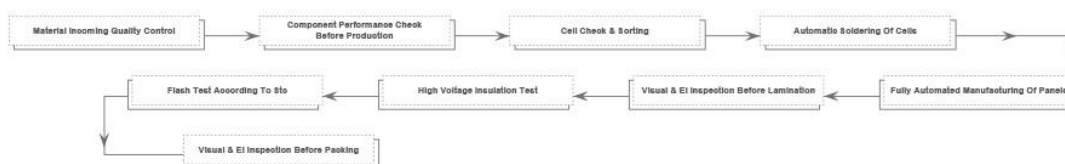

Light transmittance more than 92%
Snail trail prevention treatment
UV resistance against ageing

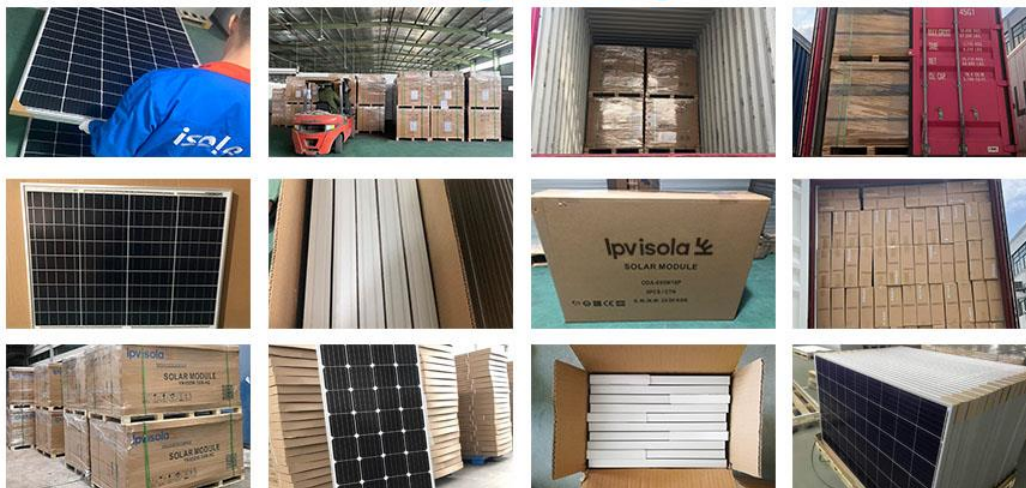

Junction Box

IP 67 protection grade
High quality diodes for electric safety
1500V system voltage available

About us

Solar Photovoltaic High-tech Products Of Professional Manufacturers

who we are

Zhejiang Isola New Energy Co.,Ltd is a professional manufacturer, engaged in high-tech products of solar modules. It has the abundant technical force and a large number of professional and technical person for many years experienced in the photovoltaic industry, and use full-automatic machine for cell cutting, welding, packaging, testing and so on.

Products included solar cells, solar panels, solar home system, solar streetlight, etc.

Two production bases:

Full automatic production line: 1.5GW / year, power range: 450W-540W

Semi-automatic production line: 400MW / year, power range: 5W-400W

We are the domestic manufacturer with the most comprehensive power coverage and the most customized enterprise.

The subordinate branch companies and representative offices are located in more than 10 countries like: Germany, Danmark, Netherlands, India, Bangladesh, Burma, etc.
