300w Thin Light Folding Solar Panel

ISOLA 300w Thin Light Folding Solar Panel easy to use, convenient and fast, environmentally friendly. Folding solar panel design, you can put it in a sun when going out. At the same time, panel can be folded and stored in a sunroof, which makes it very portable.

Product Description

ISOLA **300w Thin Light Folding Solar Panel** are easy to install and maintain. At the same time, panel, easy to carry and store. This **300w Thin Light Folding Solar Panel** with Adjustable kickstand and storage bag. has a wide input range and can meet your various needs. Meanwhile, this panel is small and lightweight, easy to carry around, and can be used for charging household appliances, emergency lights and other products.

Product Parameter (Specification) of 300w Thin Light Folding Solar Panel

MODEL	Product Specifications	
YH300W-18M-FD	Peak Power(Pmax)	300W
	Maximum Power Voltage(Vmp)	40V
	Maximum Power Current(Imp)	7.5A
	Open Circuit Voltage(Voc)	48.2V
	Short Circuit Current(Isc)	8.1A
	Cell:	210*30mm
	Nominal Operating Cell Temperature (NOCT)	45±2
	Maximum System Voltage(V)	1500V
	Maximum Series Fuse Rating(A)	15A
	Weight	9.97kg
	Dimensions	618*470*60mm

ISOLA 375W Single-glass Solar Module Feature And Application

300w Thin Light Folding Solar Panel, has items of folding solar charger usb, solar panel folding bag, solar cells charger and usb solar panel. Buy some folding solar panel that are suitable for occasion like outdoor. Don't forget to complement your purchase by checking out other related items of folding solar panel in various categories such as solar cells, solar panel, solar power and batteries

Warranty:

- 1) 10 years limited product warranty
- 2) 15 years at 90% of the minimal rated power output
- 3) 30 years at 80% of the minimal rated power output

ABC 300W LED street light Details

Applied scope:

300w Thin Light Folding Solar Panel is suitable for outdoor use such as hiking, camping. Meanwhile, panels can provide excellent power for your daily use.
