

7.5KW Industrial Electric Pressure Washer

JNIKA cleaning equipment company is China manufacturer and supplier who mainly produce commercial pressure washer and 7.5KW industrial electric pressure washer and industrial cleaner with a high power motor application. JNIKA is famous brand with its super quality, professional sales inquiry, best solution and good after-sales service and the right price. Looking forward to cooperate with customers from all over the world.

Product Description

5.5KW 7.5KW 10KW electric high pressure washer are ZL series products. In spite of the normal industrial wash like food process plant cleaning, it also can be used in large truck cleaning, coach cleaning, agricultural spray, medical and sanitary cleaning, medical disinfection cleaning, etc.

Technical Parameter

Model	Power	Voltage	Frequency	Speed	Pressure		Flow Current		Nozzle	Pump
	(KW)	(V)	(Hz)	(RPM)	Bar	PSI	L/min	GPM		
ZL-520T	5.5	380	50	1450	220	3200	16	4.22	050	JNK-15
ZL-728T	7.5	380	50	1450	290	4210	16	4.22	040	JNK-15
ZL-1030T	10	380	50	1450	330	4785	16	4.22	035	JNK-15

Structure Details

1. JNK-1525D/JNK-1535D 28 shaft high pressure pump
2. Screws surface electroplate treatment completely
3. 304 stainless steel filter

- 4.Iron frame is 1.5-2.0 mm thickness inside and outside rust-proof treatment
- 5.Electric current and voltage will not go up as the nozzles connect in error situation

Standard Accessories

	<p>JNK380Kg high pressure water gun 3/8 quick connect adapter</p>		<p>3C national standard electric cord 4X1.5M2</p>
	<p>10M high pressure water outlet hose 3/8 quick connect adapter</p>		<p>3meters water inlet hose 304 double stainless steel strainer</p>
	<p>Standard equipped nozzles 00, 150, 250, 400 304 stainless steel hoop and copper quick connect</p>		<p>High density filter 304 stainless steel three layers of filter</p>

Quality Guarantee

- ① Electric Current protection range from 15A to 18A
- ② Power protection range from 7.5Kw to 8.5Kw
- ③ Voltage protection: 220V single phase 170V to 245V , 380V three phase 360V to 440V
- ④ Electric leakage protection at 30mAh
- ⑤ Open-phase protection for 380V three phase motor
- ⑥ Over heating protection for the motor at 120 degree
- ⑦ Error nozzle connect will not raise the electric current and voltage increase, motor will not broken, the pump is with the function of automatic pressure leakage.

⑧ New models for pump in 3000Hrs testing without the situation of oil leakage and water leakage

Customized Service

- ① Electric Voltage is customized as requested, from 170V -245V single phase to 360V - 440V three phase
- ② Electric plug is customized as requested , for American socket or European type
- ③ Length of water inlet and outlet is customized as requested
- ④ Logo and Package is customized base on MOQ

Product Advantage

- 1)Low cost in cleaning labour, one person operation
- 2)Good effect in cleaning , no need to go to car wash shop
- 3)Fast clean speed, 15 minutes to clean up a car
- 4)High function price ratio compare to others home use pressure washer
- 5)No environment pollution, plug and wash immediately
- 6)Widely application in washing everything you needed

Product Certificate

7.5KW Industrial Electric Pressure Washer Application
