

Agricultural Machine Cleaning Pressure Washer

JNIKA® is Agricultural Machine Cleaning Pressure Washer manufacturer and supplier in China. JNIKA cleaning equipment company is a leading China high pressure washer manufacturer, supplier and exporter. Adhering to the pursuit of perfect quality of products, so that our pressure washer especially commercial pressure cleaner and industrial pressure cleaner have been satisfied by many customers. Extreme design, quality raw materials, high performance and competitive price are what every customer wants, and that is also what we can offer you. Of course, also essential is our perfect after-sales service. If you are interested in our electric high pressure washer, gasoline high pressure washer, petrol high pressure washer, diesel sewer drain cleaning machine, you can consult us now. We will reply you in time.

Product Description

If you interested in Agricultural Machine Cleaning Pressure Washer products, please contact with JNIKA®. We follow the quality of rest assured that the price of conscience, dedicated service. JNK-ZJ-213T is one of ZJ series electric high pressure, which has collapsible handle push and removal wheels, 1.5mm to 2.0mm thickness frame is treated with rust prevention on the inside and outside surface lead it endureable and not easy to rust in a long time. That is why our products are better quality than the other normal pressure washer in the market.

Technical Parameter

Model No.: JNK-ZJ-213T
Motor Power: 2.5KW
Voltage: 220V
Frequency: 50 Hz
Rotary Speed: 21450 RPM
Max Pressure: 150 bar / 2000PSI
Flow Current: 11L/min / 2.9GMP
Nozzle Size: 040 model
Pump Model: JNK-1508D
Package Size: 59*43*52cm (LxWxH)
Package weight: 48.6Kgs

Structure

Pressure meter

Pressure regulation valve

1013D Three phase 24 shaft high pressure pump

Standard Accessories

	<p>JNK380Kg high pressure water gun 3/8 quick connect adapter</p>		<p>3C national standard electric cord 3X1.5M2</p>
	<p>10M high pressure water outlet 3/8 quick connect adapter</p>		<p>3meters water inlet hose 304 double stainless steel strainer</p>
	<p>Standard equipped nozzles 304 stainless steel hoop and copper quick connect</p>		<p>Filter removal wrench</p>

Quality Guarantee

- ① Electric Current protection range from 15A to 18A
- ② Power protection range from 7.5Kw to 8.5Kw
- ③ Voltage protection: 220V single phase 170V to 245V , 380V three phase 360V to 440V
- ④ Electric leakage protection at 30mAh
- ⑤ Open-phase protection for 380V three phase motor
- ⑥ Over heating protection for the motor at 120 degree
- ⑦ Error nozzle connect will not raise the electric current and voltage increase, motor will not broken, the pump is with the function of automatic pressure leakage.

⑧ New models for pump in 3000Hrs testing without the situation of oil leakage and water leakage

Customized Service

- ① Electric Voltage is customized as requested, from 170V -245V single phase to 360V - 440V three phase
- ② Electric plug is customized as requested , for American socket or European type
- ③ Length of water inlet and outlet is customized as requested
- ④ Logo and Package is customized base on MOQ
