

- **22kw AC EV Charger**
- **2.8"LCD display**
- **RFID,WIFI-APP,OCCP**
- **Type2 connector**

Product Model	EVB-332-TC2
Dimension(mm)	360mm(L)* 193mm (W) *170mm(H)
Color	White,Black, Blue, Gray,Orange
HMI	2.8" LCD display(optional)
AC Power	AC 380~480V (three phase)
Communication protocol	OCPP 1.6J
Rated Current	32A
Charging Power	22kW
Rated Frequency	50/60Hz
Connector type	Type 2 connector
Elevation	≤2000m
Working temperature	-20℃~+50℃
Working Humidity	Up to 95% non-condensing
Storage temperature	-30℃~+75℃
Charging Mode	Plug and Charge (RFID,WIFI and OCPP are optional)
Protection Function	Overvoltage, undervoltage, overcurrent, short circuit, leakage, etc.
Leakage Protection	TypeB (AC30mB + DC6mA)
Cable Length	5m (customizable)
Protection Level	IP55
Installation	Wall-mounted or floor-mounted installation
Certificate	TUV Certification
weight (kg)	6.7kg
warranty	2 years
