

Flat Tawa Pan

If we want to eat at home the same delicious, juicy and tender grilled meats, vegetables and fish we get at restaurants, we must choose a high-quality pan. ADC® Flat Tawa Pan with high quality is the pan we are going to use. It will be your tricks and secrets to make tasty meals.

Product Description

The surface of ADC® Flat Tawa Pan made in China is very smooth and does not stick to the pan during cooking. You can cook a variety of barbecues, such as pork belly, pancakes, fried rice cakes, ribs, fried meat, etc. The pan is made of aluminum and does not produce fluorine compounds that are harmful to humans.

Flat Tawa Pan Care Notes

Care: Never allow Flat Tawa Pan to boil dry or leave an empty pan on a hot burner unattended. Both of these will cause damage to the cooking properties of this pan. While not necessary, cooking with some oil could improve taste of food and make them look more appetizing .

Cooking Surface: Metal utensils, scouring pads and abrasive cleaners should not be used on surfaces.
