

Nonstick Dutch Oven

These Nonstick Dutch Ovens from ADC® are your one-stop shop for all kinds of delicious recipes. Take them out of the stove, oven or dining table and enjoy the versatility and durability of die cast aluminum. Slow-cook stews or stews, casseroles, breads, and more, and serve straight from the Nonstick Dutch Oven made in China.

Product Description

ADC® Nonstick Dutch Oven with durable aluminum construction retains heat evenly for dead-spot cooking, and paint provides a non-stick effect for easy food release and quick cleanup. Wide handles make it easy to transport, and thick lids with heat-resistant knobs seal in flavors and keep food moist.

Nonstick Dutch Oven Care Notes

Care: Never allow Nonstick Dutch Oven to boil dry or leave an empty pan on a hot burner unattended. Both of these will cause damage to the cooking

www.adc-cookware.com

properties of this pan. While not necessary, cooking with some oil could improve taste of food and make them look more appetizing .
Be sure to use a heat pad, oven mitt or pot holder when moving or removing cookware from or from the stove or oven.

Cooking Surface: Metal utensils, scouring pads and abrasive cleaners should not be used on surfaces.
