

Ip67 Rated Waterproof Breathable Membrane

The following is the introduction of high quality Ip67 Rated Waterproof Breathable Membrane, hoping to help you better understand Ip67 Rated Waterproof Breathable Membrane. Welcome new and old customers to continue to cooperate with us to create a better future!

Product Description

IP67 Rated Breathable Membrane Waterproof Membrane are the main benefits:

Protect sensitive electronic components:

Prolong the service life of the product and reduce the failure maintenance

It can greatly reduce the fault of electronic and inductor products caused by salt corrosion

Greatly reduces fog and condensation

It can balance the internal and external pressure, thereby reducing the stress of the shell seal strip and improving the sealing performance of the product.
