

### Waterproof Breathable Plug

High quality Waterproof Breathable Plug is offered by China manufacturer Kunshan Bizhenpin Film New Material Technology Co., Ltd.. Buy Waterproof Breathable Plug which is of high quality directly with low price.

### Product Description

Bizhenpin Breathable Plug Waterproof, dustproof, anticorrosion, and oil proof, with oil proof grade 8 and IP68, are able to balance the pressure difference between inside and outside of liquid storage devices and keep away from deformation after packaging. Waterproof Plug is made up of thin films and plastic pieces welded through ultrasonic waves or hot melt. The plug has the advantages of simple design, easy installation and long life. The plug is press-fit for easy incorporation into customer products.

### Detailed parameters:

Support material	thickness (mm)	Permeability (ml/min/cm <sup>2</sup> @1psi/7Kpa)	water pressure resistance (Kpa)	oil proof grade
PET/PE Mesh	0.14	1000-1500ml	150	customized
PET/PE Mesh	0.14	1500-2500ml	100	customized
PP/PE pressure light	0.18	1500-2500ml	120	customized
PP/PE pressure light	0.18	1000-1500ml	200	7/8grade
PP/PE pressure light	0.20	1500-2500ml	120	7/8grade
Pure ePTFE	0.20	800-1000ml	100	7/8grade
