

4 T Diesel Loader

Find a huge selection of 4 T Diesel Loader, 180 Kw Electric Wheel Loader, Electric Moke from China at Hilima Company. Provide professional after-sales service and the right price, rich experience QA can help you audit the factory or check the goods quality before shipping. Looking forward to cooperation.

1. Product introduction of the 4 T diesel loader

4T diesel loader is one of our flagship products. It is popular among customers for its low price, durability and powerful horsepower. Our product advantages are as follows:

- The body, head and arm of the whole car are made of high strength manganese steel, which is resistant to extrusion and wear and no deformation.
- The whole car body adopts baking process, paint adhesion is strong, never change color.
- The bucket adopts computer optimization design, single tip bucket cylinder, "Z-shaped rotary bucket structure", to achieve a huge shovel force.
- The whole car adopts the oil cylinder imported from Japan, durable.

2. Product parameter of the 4 T diesel loader

performance	overall dimensions(mm)	7295*2574*3324
