

## 5 T Diesel Loader

Hilima Company is 5 T diesel loader manufacturers and suppliers in China who can wholesale 5 T diesel loader. We can provide professional service and better price for you. Our products have a good quality and price advantage and cover most of the European and American markets. We look forward to becoming your long-term partner in China.

### 1. Product introduction of the 5 T diesel loader

5 T diesel loader is one of our flagship products. It is popular among customers for its low price, durability and powerful horsepower. Our product advantages are as follows:

- The body, head and arm of the whole car are made of high strength manganese steel, which is resistant to extrusion and wear and no deformation.
- The whole car body adopts baking process, paint adhesion is strong, never change color.
- The bucket adopts computer optimization design, single tip bucket cylinder, "Z-shaped rotary bucket structure", to achieve a huge shovel force.
- The whole car adopts the oil cylinder imported from Japan, durable.

### 2. Product parameter of the 5 T diesel loader

performance	overall dimensions(mm)	7720*3030*3378
