All these materials are top quality materials all over the world. We also provide the OEM service. Choose our quick connector, to choose the quality products.

2. Specifications

No.	Item	Description
1	Size	6.30 SAE 1/4" ID 5
2	Shape	Straight 180°
3	Color	Black / Gray
4	Fitting Pipe	Nylon Hose ID 5 mm
5	Application	Fuel Pipe Line System on Automobile, Motorbike, Boats

6	Raw Material	Arkema PA12 GF30 /PA66 GF30-35 BASF
7	Inventory	30,000 pcs in stocks
8	MOQ	10 PCS
9	Delivery	Within 10,000 PCS, deliver in 7 working days after 100 full payment.

3. Application

Continuous operating temperature is between - 30°C and 120°C.

Working Pressure 5-7bar.

This Universal Automobile Fuel Line Straight Adapter can be used for fuel, fuel vapor, steering system, urea pipeline, water cooling pipeline, air conditioning system.

4.Universal Automobile Fuel Line Straight Adapter

Details

Double lock, double o seal ring.
