## FAQ

### Q:1. Are you a trader or a manufacturer?

A: We are a professional manufacturer of customized hardware parts processing and CNC processing, with our own production factory and 15 years of production experience.

### Q:2. How do we guarantee the quality?

A: 1. Always pre-production samples before mass production;  
2. Professional quality inspectors conduct product testing and quality assurance;  
3. Our products win by quality and have a good reputation in the industry. We have served Dell, Logitech, ASUS, CAT and other first-line brands; we hope to establish a long-term cooperative relationship with you.

### Q:3. What can you buy from us?

A: We are mainly engaged in CNC processing customization, mainly providing sports equipment, pneumatic components, ATM, commercial display, medical parts processing, communication parts processing, optoelectronic parts processing, auto parts processing, CNC precision processing, CNC processing, CNC processing of complex parts, non-CNC machining of standard parts, customized CNC machining, etc.

### Q:4. Why buy from us instead of other suppliers?

A: We have 15 years OEM/ODM experience! We have our own design team and production team, equipped with complete production equipment and auxiliary processing
