Craft production	Free design	Small batch customization
Surface treatment: Screen printing, electroplating, polishing, oxidation, sandblasting, wire drawing, laser engraving, baking paint		
Application areas: Auto parts, smart home appliances, security intelligence, aviation and military industry, digital office, medical equipment, electronic instruments, drones, etc.		

FAQ

Q:1. Are you a trader or a manufacturer?

A: We are a professional manufacturer of customized hardware parts processing and CNC processing, with our own production factory and 15 years of production experience.

Q:2. How do we guarantee the quality?

A: 1. Always pre-production samples before mass production;
2. Professional quality inspectors conduct product testing and quality assurance;
3. Our products win by quality and have a good reputation in the industry. We have served Dell, Logitech, ASUS, CAT and other first-line brands; we hope to establish a long-term cooperative relationship with you.

Q:3. What can you buy from us?

Dongguan Eight Metal Manufacturing Co., LTD

Address:No. 8, Buyan Industrial Yiheng Road, Fenggang Town, Dongguan City, Guangdong Province

Tel:+86-18675158482

E-mail:yangfuchangchang@gmail.com

www.eightmetal.com

A:We are mainly engaged in CNC processing customization, mainly providing sports equipment, pneumatic components, ATM, commercial display, medical parts processing, communication parts processing, optoelectronic parts processing, auto parts processing, CNC precision processing, CNC processing, CNC processing of complex parts, non- CNC machining of standard parts, customized CNC machining, etc.

Q:4. Why buy from us instead of other suppliers?

A:We have 15 years OEM/ODM experience! We have our own design team and production team, equipped with complete production equipment and auxiliary processing equipment, so we can customize hardware parts with small MOQ, and carry out quality control in strict accordance with the ISO9001:2008 quality system to provide customers with stable and reliable products with service.

Q:5. How long will it take for delivery?

A:5-7 days for sampling, 35-45 days for delivery after sample confirmation.

Q:6. How can I get samples to check your quality?

A:After the price is confirmed, you can request samples to check our quality. We can provide free blank samples to check the design and product quality, but you need to bear the shipping cost.
