# COMPANY PROFILE

Since 2005, Foshan Artiz tent company has been committed to the development and manufacture of outdoor products. Our main products include various trade show tent series, outdoor umbrella series, gazebo series, flag series and relief tent product series, etc. After many years of effort, our products have been sold all over the world. The main markets include European and American markets and emerging developing countries. We will continue to develop new products to meet the needs of different markets.

We will not forget our mission: continue to provide quality products and services to the world. And we will not forget our principles: Cooperation and mutual benefit. We welcome every customer from all over the world, and we will choose the right product for you with our professional knowledge.
